2140 FIVE MILE LINE ROAD, PENFIELD NY 14526

As you age, your needs change. What were once simple tasks such as yard work or even changing your clothes can become a chore as we grow older.

GrandeVie Senior Living Community in the heart of Penfield has been meeting the evolving needs of older adults for more than twenty years. Locally owned

*full of life*

and operated, our NYS Department of Health certified community provides a continuum of care ranging from independent living apartments and traditional adult-care to specialized services for those with memory impairment or adults requiring specialized day-care services.

**GRANDEVIE**

**Senior Living Community**

**GRANDEVIE** offers a continuum of care to meet the evolving needs of adults so as your loved one ages and their needs change, their address doesn't have to. Here is an overview of the GrandeVie programs available to meet the needs of your special senior.

### Village Wood Independent Apartments

For adults looking to maintain their independence, Village Wood independent living apartments at GrandeVie is the perfect choice, with all the comfort and freedom of independent living without the upkeep and uncertainty of home ownership. Village Wood is a vibrant, attractive, and cozy community situated right in the heart of Penfield village. Our flexible housing plans and unrivaled amenities make Village Wood living convenient and affordable—without all the domestic chores.

### Ternary Commons Transitional Care

Adults looking to maintain their independence while fulfilling special transitional needs can take comfort at Ternary Commons, the newest addition to GrandeVie. Ternary Commons is like living at a private apartment within a fine hotel that's also a licensed adult-care residential community. From chef-prepared meals and concierge services to personal-care assistance and an in-house physician's office, residents get the best of all worlds at GrandeVie's Ternary Commons.

### GrandeVie Traditional Adult Care

Choosing an adult home for a parent or loved one can be a difficult decision...or it can be easy with GrandeVie. From 24-hour resident care staff and house-keeping services to medication management and an on-site physician's office, GrandeVie ensures exceptional attention in a warm, vibrant community designed to meet the evolving senior health-care needs.

### Caring House Memory Care

A parent or loved ones facing Alzheimer's disease or another memory impairment can be assured of getting the specialized care they need at GrandeVie's Caring House, an exceptional environment specifically designed to meet these special needs. A 12-hour/7 day a week life-enrichment activities program provides for physical as well as emotional stimulation.

### Enhanced Care

Seniors with physical impairments can maintain their independence with our Enhanced Services program. Licensed by the N.Y. State Department of Health, clients receive specialized personal-care and health-related services designed to meet the extra needs of seniors who aren't ready for a skilled nursing facility... at a significantly lower cost.

### Day-Care Programs

Specialized full and half-day programs provide a professional, supervised environment for parents and other adults during working hours. Special programs are also available for clients with Alzheimer's disease or another memory impairment via our Caring House facility.

### Licensed Home Care Service Agency

GrandeVie also provides in-home health and nursing care for those clients who require specialized services in the privacy of their own residences. With over twenty years experience providing high-quality care to the elderly, you can rest assured that our NYS licensed home-care services will meet your needs at a very affordable cost.

### New York State Licensing Provides Complete Peace of Mind

GrandeVie is licensed and regulated by the New York State Department of Health, assuring you that the care received meets or exceeds the high standards set forth by law. Persons interested in occupancy in any adult community should insist on the protections that are offered by those facilities that are regulated by strict governmental agencies.
